

Meet the

Faces of...

Pat Ascroft

"Come and join us!"

If you've ever been to the annual Walking Festival in beautiful **Garstang** and its surrounding district, you might recognise some familiar faces! You'll know it's these people that work so hard to put together a **fantastic programme of walks and activities** to show you the best of our region. If you're new to the festival, we'd love to meet you. There's so much going on and it's our job to guide you on our many walks and activities for young and old, beginners and experienced walkers. Why not make a note in your diary to join us this year, **bring a friend** - we'd love to see you!

Enclosed is your brand new copy of the **Walking Festival Guide**, where you'll find details of everything that's going on from **6-15 May**. Give us a call on **01995 602125** to find out more and book your place!
